AN IMPORTANT NOTICE TO ALL CLUB MEMBERS

The Sporting Club Inc. is the governing body covering all of our sporting Divisions. The role of the Sporting Club Committee is to ensure each club is functioning operationally and financially in a way that benefits the clubs long term and provides a quality service to our local community and sporting fraternity as well as complying with government requirements and governance.

At our AGM in November this year we will be saying thank you and goodbye to several long serving Committee members. There are no formal requirements needed to be a Committee member of the Sporting Club other than being a member of one of our clubs, and having a desire to see the clubs provide the best services we can to our members and our community.

Please note – all of our Committee positions are Voluntary and are for a 2-year term. **The roles are oversight only.** In other words, the club committees and volunteers do the physical work to put the teams on the field or on the court. Our major role is to ensure the governance and compliance requirements are met, long term planning is undertaken and consistently monitored, background issues are looked after and clubs are being managed appropriately.

In particular, our Treasurer, Wendy D'Souza, will be moving away from the club after 8 years of valued service. It is important for the whole body that we fill this role and we ask anyone who may be interested or able to assist to contact the Secretary@tlsc.asn.au as soon as possible to discuss details of the role and to undertake a handover transition while Wendy is still with the club.

Although a background in accounting, bookkeeping or similar would be highly desirable in the Treasurer's role, it is not mandatory. The occupant only needs to be over 18. The role is based on the QuickBooks programme and involves a few hours a week and 1 meeting a month. As stated above, this is an oversight role and the operational Treasurer's duties for each club are undertaken by the club Treasurers.

In addition, there will be vacancies on the general committee and we are looking for people who want to be involved in growing and developing our clubs.

Further information on what we do can be found at our About the Club page at <https://www.tlsc.asn.au/about/> or you can contact me on 0414 933 341.
