FOOTBALL

Football are about to wind up their season with the last game this Saturday. It will also be the close of Steve Burn's coaching with the club. Steve is a two-time Premiership Coach (and only Senior Premiership Coach) with the club after winning a Cup on each of his two stints at the helm. Thank you Steve and your assistant Dean Tessia for your significant input to the Football Club.

Next years coach has already been named – Danny Younan.

Danny was a junior at the club being part of our first Senior Premiership in 2010 before going on to play over a hundred VFL games with Essendon and Coburg. He had returned to Taylors Lakes and been a major goal kicker for the club this season.

CRICKET

Cricket commence their season on the 1st of October. Both Senior Men's and the inaugural Seniors Women's teams have started training and the Craig Sheild side does their first outdoor training session this coming Sunday. One of the Senior Women's signings being Naomee Hoeboer with best figures of 5/14 and is also handy with the bat.

TENNIS

Tennis have just commenced their new night competition season with nearly all available space for teams full. Numbers and enthusiasm around the club is great and they are looking forward to another blockbuster season.

LIGHTING UPGRADE NEWS – AN UPDATE

Brimbank City Council have advised the tenders for the upgrade of our oval lighting are about to go out to interested parties. There are 3 lighting projects being undertaken by Council to be finished by March 2027. It has been indicated to the club that we will be the first to be done, which hopefully means a completion date before Christmas. Council have told the football club they can advise the EDFL they plan on playing games under lights next year. This is great news and we will certainly celebrate when it is done.
