CRICKET

Cricket held their Presentation Night in May and all awards presented can be seen on their Facebook or other media pages. A couple of important highlights being the Life Membership recognition of Jason Denny and Amanda McGowan being named as this years Ray Marshall Club Person. Representatives of the club also attended the VSDCA awards at which Xavier Holt

was named 2nd XI Player of the Year and Sam Domazetovski was named 3rd XI Player of the Year. Planning for next season is well underway with important signings already to be seen on their social media.

FOOTBALL

Football are continuing to move in the right direction with a big win last week that has cemented their place in Division 1, and are looking forward to a more successful end of the season. A long injury list has so far hampered a consistent on field performance, but the team has done well with assistance from the Reserves, U18's and U16's.

Ladies Day was a great afternoon enjoyed by a big crowd. Well done to the organisers and all the effort put in.

TENNIS

Tennis continue to enjoy their new facility with training and playing numbers being the best recorded in a long time, and possibly ever. Success recently experienced by a number of their junior and night teams – see details on their social media pages. The photos below are of the C Grade2 Mens, A Res2Mens and A Grade1 Mixed (who won in their first season).

BASKETBALL

Basketball are now well into their winter season finishing last season with 16 sides out of 30 making Finals, 12 playing in Grand Finals and 6 being Grand Final winners. A great result for the club and a good indication of good team work and coaching right across the club.
