CRICKET

Cricket have had a slow start to their season with the first round not getting on the field and the latest round being badly affected due to consistent rain. Considering the great start the seniors and other teams had in their first innings of the current round with Shijit Poovathingal posting 119 of 197 in the 1st XI and Thomas Stephens (picture) smashing 146 of 111 in the 4th XI and other great scores across the other grades the rain affected weekend was “a dampner”.

Also of note was the effort of Nida Rehman in the Senior Women’s making 49 of 49, taking 3/6 of 4 and also chipping in with a catch. See more detials on each team on the Cricket social media.

FOOTBALL

Football concluded their season with their Senior Presentation Night and AGM. Best and Fairest at the Senior Level being Lachlan Rayner. The women’s Best and Fairest being named as Rebecca Foggie. Congratulations to them both. Brandon Coletta and Danny Younan taking out the other top places for the Men’s team, with Courtney McCormack and Gabrielle Kassinidis (pictured) doing the same in the Women’s team. Other trophy winners and club awards can be seen on their social media. The club ended the season in a good position and are already making solid preparations for 2027.

TENNIS

Tennis numbers and enthusiasm around the club is great and they are looking forward to another blockbuster season. They are also looking forward to their next Future Aces Junior Club on the 4th of November and have already been informed they will be adding a further Tennis Australia sanctioned tournament in 2027 at the adult level. That will bring their Tennis Australia sanctioned tournaments to a total of 9, a great stamp of approval from Tennis Australia and Tennis Victoria.

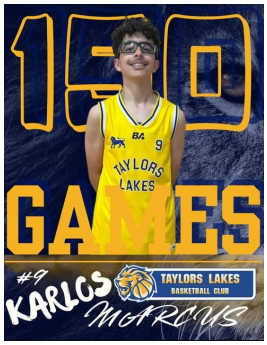

LIGHTING UPGRADE NEWS – AN UPDATE

Brimbank City Council continue to indicate the new lighting upgrade will occur sometime in December 2026. Once dates and details are confirmed the information will be distributed to members via the various social media streams, and I am sure word of mouth.

BASKETBALL

Basketball have now finished grading games for this season and have commenced the season proper. They recently held their AGM and the club is moving steadily into a very solid new phase. Last season concluding with 16 of their 30 sides in finals, 12 in Grand Finals and 6 overall winners. A great outcome.

The club is also regularly celebrating the achievements of players such as the 150 game milestone achieved by Karlos Marcus.

In total the sponsorships amount to $8,000 + GST. A great assistance to all.
